Wyandott Nation Votes Requested

Transcriptions are presented without changes except to improve readability.

We would ask our friends of the Wyandott nation, to remember that Election is on next Monday. We know that many of them are Free-State men, and firm friends of the Topeka Constitution, and if they vote will unhesitatingly vote for its ratification. Mr. Parrott, our candidate for Representative in Congress, they know to be a good and true man. Dr. Root, candidate for State Senator is well known not only in Kansas but out of it, as a firm, safe and reliable Free-State man, and one on whose hands the people of the district will feel safe in entrusting their interests. Mr. Funk, of Wyandott, and the Editor of this paper, are the candidates for Members of the House of Representatives. We trust our friends in the Wyandott nation will rally to the polls next Monday and give a large vote.
