2022

Thank you for your interest in the possibility of volunteering at Kansas City Kansas Public Library West Wyandotte Branch. The Teen Volunteer Program is open to young adults in grades 9 – 12. The Volunteer Service Program is designed to support and complement the many services and programs the public library has to offer. Additionally, we are excited about the opportunity to continue to build community relationships and provide volunteer resources for many of our community members and patrons.

Attached is the following:

- Volunteer Application
 - o We do NOT require the minimum 20-hour commitment.
 - o Note that teens are NOT required to have a background check.
- Volunteer Agreement
 - o Note that teens are NOT required to list references.

If you are interested in volunteering with our library, please fill out the attached two forms. To be considered as a Teen Volunteer, the forms must be completed, including all signatures, and you will need to attend a Teen Volunteer Orientation. We have Teen Volunteer Orientations scheduled:

- Tuesday, August 30 / 5:00 – 6:00 PM
- Please check the [KCKPL Market Calendar](#) for future orientation dates and times

You may bring the completed Volunteer Application and the Volunteer Agreement to the orientation, or you may return them to the West Wyandotte Library Branch before the orientation. There is no prior registration required for the Teen Volunteer Orientation.

We are excited that you are interested in our teen volunteer program. Please let us know if you have any questions.
