Have you ever wanted to write a novel?

National Novel Writing
Month is in November.

What is National Novel Writing Month?

National Novel Writing Month, or NaNoWriMo, is a month-long writing challenge that takes place annually. The goal is for each participant to write 50,000 words of fiction in the month of November.

Join us and challenge yourself to write a 50,000 word work of fiction, or set your own goals! Our NaNoWriMo group will be meeting multiple times throughout the month of November.

OUR PROGRAM!
EVENTS ARE FOR
ALL AGES.

50,000 WORDS CAN
FEEL DAUNTING.

When you break it down, 50,000 words in one month is approximately 1,667 words per day.

While some may find this an easy goal, it can definitely be a challenge!

This group is designed to allow us to get together and write once a week. If you don't want to aim for any particular word count, or just want somewhere to come write every week with fellow writers, you are welcome! No matter what kind of writer you are or what you want to accomplish this November, we want you!
